@serjtankian you can't kick a turk i think
your ancestors know it well, when they
attempted to kick turks they got kicked so
hard that they had to go for marathon walk
from Ottomans to the deserts. You
faggot!!! 🇷🇺🇹🇷💪

ekremtc11 @taliinnn Don't worry, we will
finish what our ancestors left unfinished
years ago. OTTOMAN EMPIRE will be re-
established The Middle East is now under

Hey! I had a dream last night, it was the 1900s. I was the Turkish commander and ordered my soldiers to all of you to rape one by one. You were screaming and couldn't move. Then, my soldiers cut your throat and hang it at the top of the Cross. I enjoyed this dream so much that I hang it at the top of the Cross. I enjoyed this dream so much that I don't know what it would be like if it actually happened. I wish I had a chance to go back to that time. If had a time-machine, I would just like to go back to that time and kill more of you. Maybe you Armenians couldn't breed and the world would have better human genes thanks to me. You're so ugly that if we exhumed your ancestors, I'm sure they'd look better than you. Kill yourself for the good of mankind!

Ertuğrul Turgut
Sesha Serik The biggest mistake of the Ottoman is that they don't cut you all. If they were really bad they wouldn't leave one of you. Armenians who are in the Ottoman war, who acted behind the back and killed many people, your work is a lie. It was said to establish a research coalition, but they did not participate. It is your job to know the truth and abuse emotions. There is no amnesty to Armenia, terror state Armenia.
